**Question:** Will the traffic lane affected by the excavation and pipe replacement have to be reopened to traffic at the end of each work session?

**MoDOT Response:**

The only lane that needs to be open is the right turn lane from Lucas-Hunt to WB Rock Road. The remainder of the right lane on St. Charles Rock Road may be left closed, but the contractor needs to ensure that there are no hazards to a motorist or pedestrian.

**Question:** If so, what will be permitted as a suitable driving surface?

**MoDOT Response:** MoDOT personnel will discuss options with the successful contractor dependant on conditions.

**THIS ADDENDUM MUST BE SIGNED AND SUBMITTED WITH RESPONSE.**
